TARANGIRE
TREETOPS

Elewana Northern Circuit Tanzania

LOCATION

Floating amongst the Baobab and Marula trees experience the breathtaking panoramas of wide savannah grasslands. The Tarangire Treetops lies southwest of Arusha and south of the large open grass plains of southern Maasailand. Named after the Tarangire River that flows through the Tarangire National Park, this vast area offers an array of game including some of the largest herds of elephant in Africa and over 550 bird species, Tarangire has remained in the hearts of many an adventurer.
